John, as his brother Tom likes animals very much. They will be able to see many animals there like elephants, giraffes, lions and many fantastic birds.

Before going to the airport, John's father went to the travel agency and booked four plane tickets. He also booked two double rooms in a big five-star hotel, one room for the children and another one for the parents. The plane tickets are too expensive because Kenya is very far from London. The tickets are 300 pounds each. They will stay nine hours in the plane to arrive to Kenya. They will leave London at 2 p.m. and arrive at 11. It will be a very tiring trip.
